

# Welcome to Buona Sera

Wine and food are an important part of the Italian culture, so it is only natural that we take the same loving care and approach to selecting the wines as we do when seeking out the finest and freshest ingredients for our Italian cuisine.

We have curated this list to be balanced with different regions, varietals, styles and prices for you to choose from.

Most of the recently added selections are from family owned estates and wineries with small production that offer the best examples of their type with a sense of place. These "hand-crafted" wines are available throughout the list.

The wines have been selected on merit, quality and value. These wines are truly made with passion and pride. We believe that the selected wines have integrity, character and above all, taste great.

We urge you to be adventurous, explore new flavors and have a wonderful experience.

*Salute!*
